Collection of Information

Title: Survivor Sheltering Assessment.

Type of information collection: Currently approved information collection with change.

OMB Number: OMB No. 1660-0142.

Form Titles and Numbers: FEMA Form 09-0-42, Survivor Sheltering Assessment.

Abstract: When a Presidential federally declared disaster or emergency occurs, impacted survivors often find themselves temporarily housed in shelters until they are able to return to their homes or find other housing solutions while they recovery. A FEMA employee will interview individual survivors located in shelters regarding the

registration status and housing situation using an electronic copy of FEMA Form 009-0-42 Survivor Sheltering Assessment to record the information in the Disaster Management Support Environment Cloud Environment (DMSE CE) database. The purpose of this survey is to help FEMA understand how best it can support survivors as they transition out of temporary shelters. No information given will be used to determine eligibility for assistance. Eligibility for assistance will only be determined through the separate registration process.

Affected Public: Individuals and Households.

Estimated Number of Respondents: 31,200.

Estimated Number of Responses: 31,200.

Estimated Total Annual Burden Hours: 5,201.

Estimated Total Annual Respondent Cost: \$181,203.

Estimated Respondents' Operation and Maintenance Costs: None.

Estimated Respondents' Capital and Start-Up Costs: None.

Estimated Total Annual Cost to the Federal Government: \$273,356.

Comments

Comments may be submitted as indicated in the ADDRESSES caption above. Comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be

collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
